Administration remained the highest cost and was up by £1,000. Public Open Space spending was up £5,500, and Environmental Expenses were up by £1,500, however this was compensated with a reduction in spending under Section 137.
- At the end of the 2016/17 financial year the accounts show a balance just over £53,000, this is made up of a cash balance of £17,000 and reserves of £36,000. The Clerk had recommended that reserves be built up to support the planned celebrations of the Rainhill Trials 190th anniversary in 2019.
